Feed this product to cattle according to your nutritionist's directions. For selenium purposes, this product should not exceed 3.03% of total ration.

Self-feed GILBERT'S 2-2-1 MINERAL MIX in a covered feeder to mature cattle at the rate of two (2) ounces per head daily. GILBERT'S 2-2-1 MINERAL MIX may also be safely fed to other four-footed animals in proportion to their body weight, but is not intended for poultry, sheep or human consumption. Monitor consumption by salt-starved or mineral-starved animals.

Net Weight: **50 Pounds (22.7 Kilograms)**
