M E D I C A T E D

WARNING! DO NOT FEED TO SHEEP. This feed contains added copper at levels that may be toxic to sheep.

CAUTION: Do not allow horses or other equines access to feed containing Monensin. **Ingestion of Monensin by horses has been fatal.** Monensin medicated goats are safe for use in goats only. Consumption by unapproved species may result in toxic reactions. Do not use in goats only. For the prevention of coccidiosis caused by *Eimeria crandallis*, *Eimeria christensenii* and *Eimeria ninakohlyakimovae*.
