FEEDING DIRECTIONS

Feed FARMERS BEST STEER FINISHER at a rate of five (5) pounds per day to steers also being fed hay free-choice . Increase FARMERS BEST STEER FINISHER while decreasing hay until steers are on full feed. Once on full feed, keep FARMERS BEST STEER FINISHER in front of them at all times. Feed at least 4 pounds (4)lbs. of roughage per head daily. FARMERS BEST STEER FINISHER can be fed from 400 lbs. to market, or can be used from 400-800 pounds on show and/or fair projects. Provide a continuous supply of fresh, clean water. Provide salt free choice. Feed GILBERTS' MINERALS free-choice.

CAUTION: Follow label directions. Feeding added selenium at levels in excess of 0.3 ppm 93.75% of this ration) in the total diet is prohibited.

WARNING! DO NOT FEED TO SHEEP. This feed contains added copper at levels that may be toxic to sheep.

REMINDER: Feed is perishable. Store this product in a cool, dry area away from insects. DO NOT feed moldy or insect-infested feed.
