

Magnum Milk Mineral

Product number: 60732

Product Information

- For all classes of dairy goats
- Designed especially for the needs of lactating dairy goats
- Provides a 1:1 calcium to phosphorus ratio to supplement alfalfa diets
- Can be provided on a self-fed basis or mixed in the ration
- High quality nutritional package, including organic minerals from BIOPLEX and SEL-PLEX for improved bioavailability
- Highly palatable formula designed to keep goats coming back for more
- Added RainBloc for improved resistance to moisture

BIOPLEX® and SEL-PLEX® are registered trademarks of Alltech.

Feeding Instructions

CAUTION: Use as directed. Consumption of selenium should not exceed 0.7 mg per head per day.

WARNING: This product, which contains added copper, should not be fed to sheep or any species with a low tolerance to supplemental copper.

Feeding Recommendations:

SWEETLIX Magnum Milk Mineral is designed to promote health and well-being for your goats through proper nutrition. Added BIOPLEX organic trace minerals are easily absorbed and readily metabolized for optimal nutrition.

SWEETLIX Magnum Milk Mineral now contains RainBloc to help reduce waste by improving the mineral's resistance to moisture.

SWEETLIX Magnum Milk Mineral should be self-fed as the sole source of salt or minerals and vitamins. On average, goats should consume 0.3 to 0.5 ounces per head per day, based on a 150-lb animal.

Provide at least 1 mineral feeder per 10 head of goats for access purposes. Locate mineral feeders near a clean, fresh source of water. Mineral consumption levels will vary depending upon the mineral status of the goats. Provide fresh, clean water to all animals at all times.

Nutrition Information

Calcium, Min	7.50%
Calcium, Max	9.00%
Phosphorus, Min	8.00%
Salt, Min	10.00%
Salt, Max	12.00%
Magnesium, Min	4.50%
Cobalt, Min	240 ppm
Copper, Min	1,750 ppm
Copper, Max	1,810 ppm
Iodine, Min	450 ppm
Manganese, Min	1.20%
Selenium, Min	50 ppm

Zinc, Min	1.20%
Vitamin A, Min	300,000 IU/lb
Vitamin D-3, Min	30,000 IU/lb
Vitamin E, Min	300 IU/lb

Product Ingredients

Monocalcium Phosphate, Dicalcium Phosphate, Processed Grain By-Products, Salt, Calcium Carbonate, Magnesium Oxide, Molasses Products, Ferrous Sulfate, Roughage Products, Manganous Oxide, Zinc Oxide, Vegetable Oil, Selenium Yeast, Manganese Sulfate, Zinc Proteinate, Zinc Sulfate, Brewers Dried Yeast, Copper Sulfate, Manganese Proteinate, Iron Oxide, Copper Proteinate, Vitamin E Supplement, Mineral Oil, Ethylenediamine Dihydroiodide, Calcium Iodate, Cobalt Sulfate, Cobalt Proteinate, Vitamin A Supplement, Vitamin D-3 Supplement and Sodium Molybdate.
